Introduction

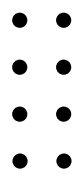

Welcome to **Forays Group** (*formerly known as Forays Services & Constructions Pvt. Ltd.*), an integrated Engineering, Construction and maintenance group committed to addressing the evolving needs of the Instrumentation, Electrical, and Telecom industries.

Building on a strong foundation of expertise and proven performance, Forays Group has expanded its presence internationally and now comprises the following Entities:

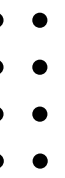

- **Forays Innovations Pvt. Ltd (India)**
- **Forays International FZE, Sharjah, UAE**
- **Forays International Electrical Contracting LLC-S.P.C, Abu Dhabi, UAE**

Relying on the expertise of our specialized teams, comprising Project Management and Site Supervision professionals, we offer a comprehensive range of services including maintenance, plant commissioning of process plants.

Our Mission

Build and operate supremely efficient Electrical, Instrumentation and Telecom Systems in the most flawless manner, keeping global standards.

To provide service excellence meeting all Techno-Economic requirements of our clients

A diagram consisting of two vertical columns of four dots each, representing a 4x2 grid.

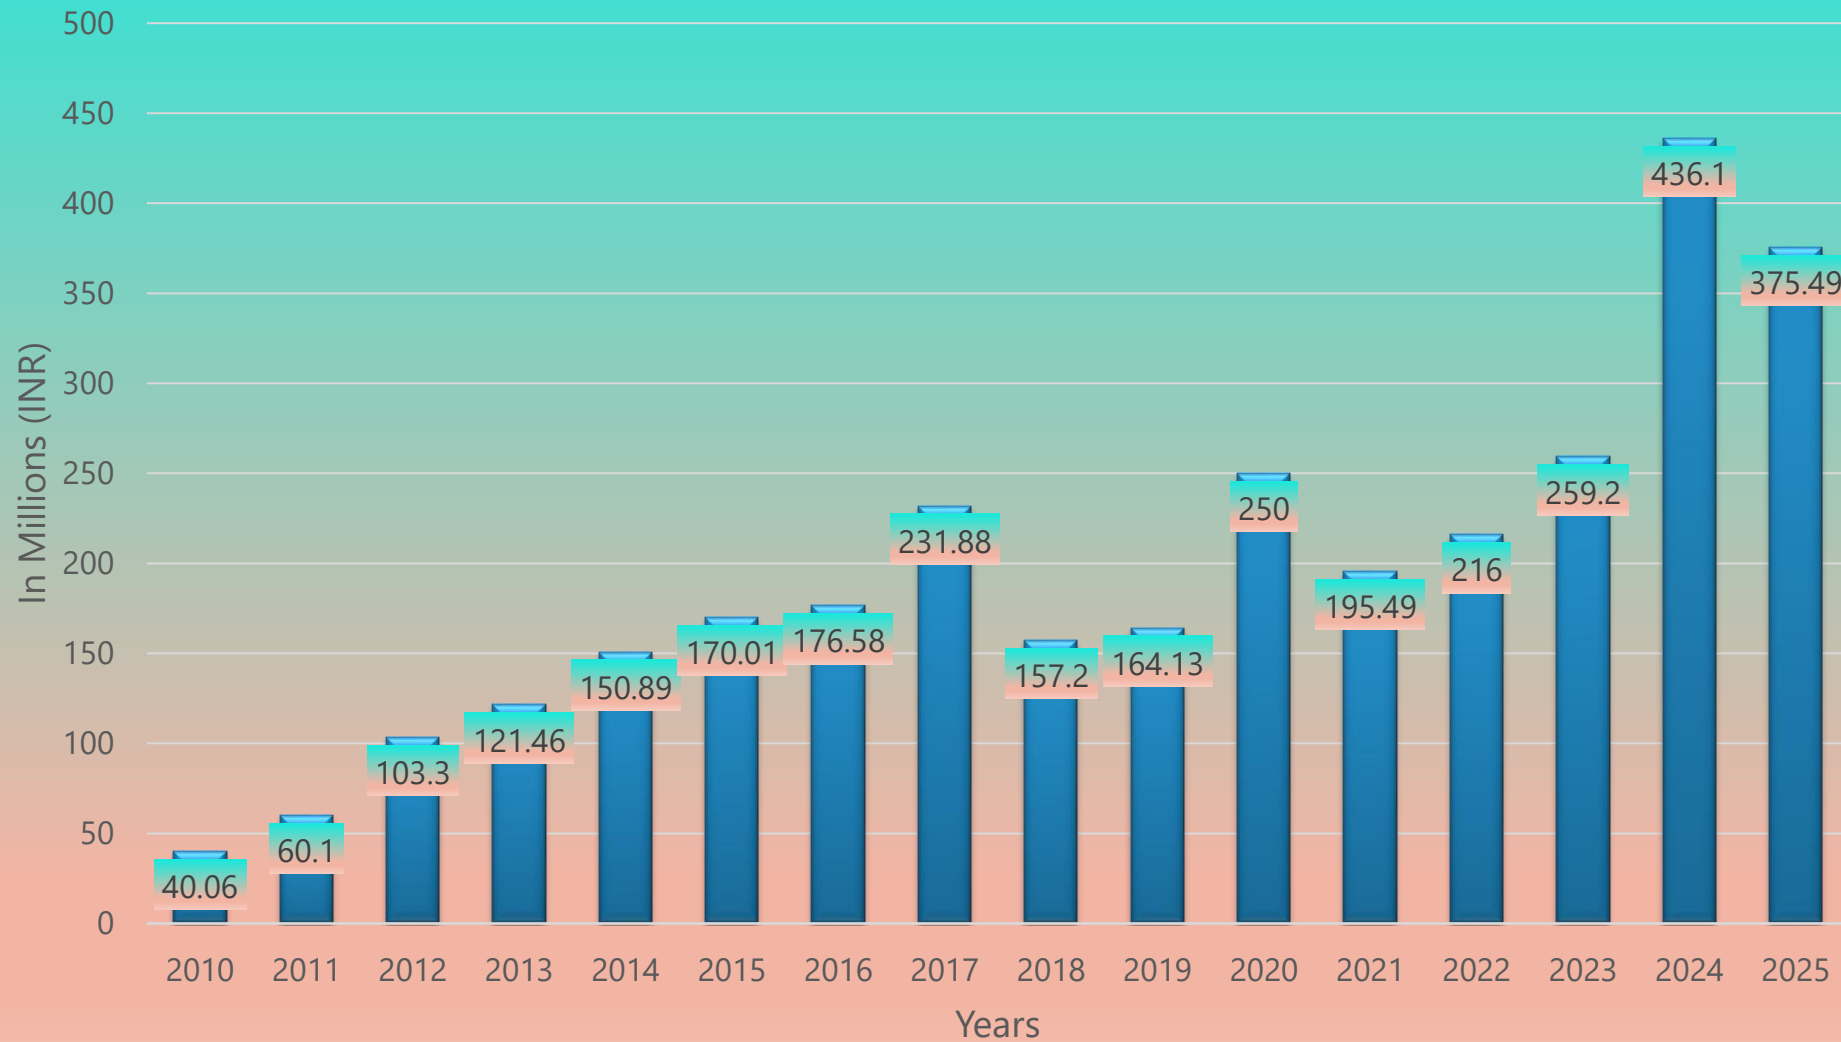

Be the most dependable partner in every aspect of Electrical, Instrumentation and Telecom, with the expertise and infrastructure to serve businesses, industries and organizations across borders.

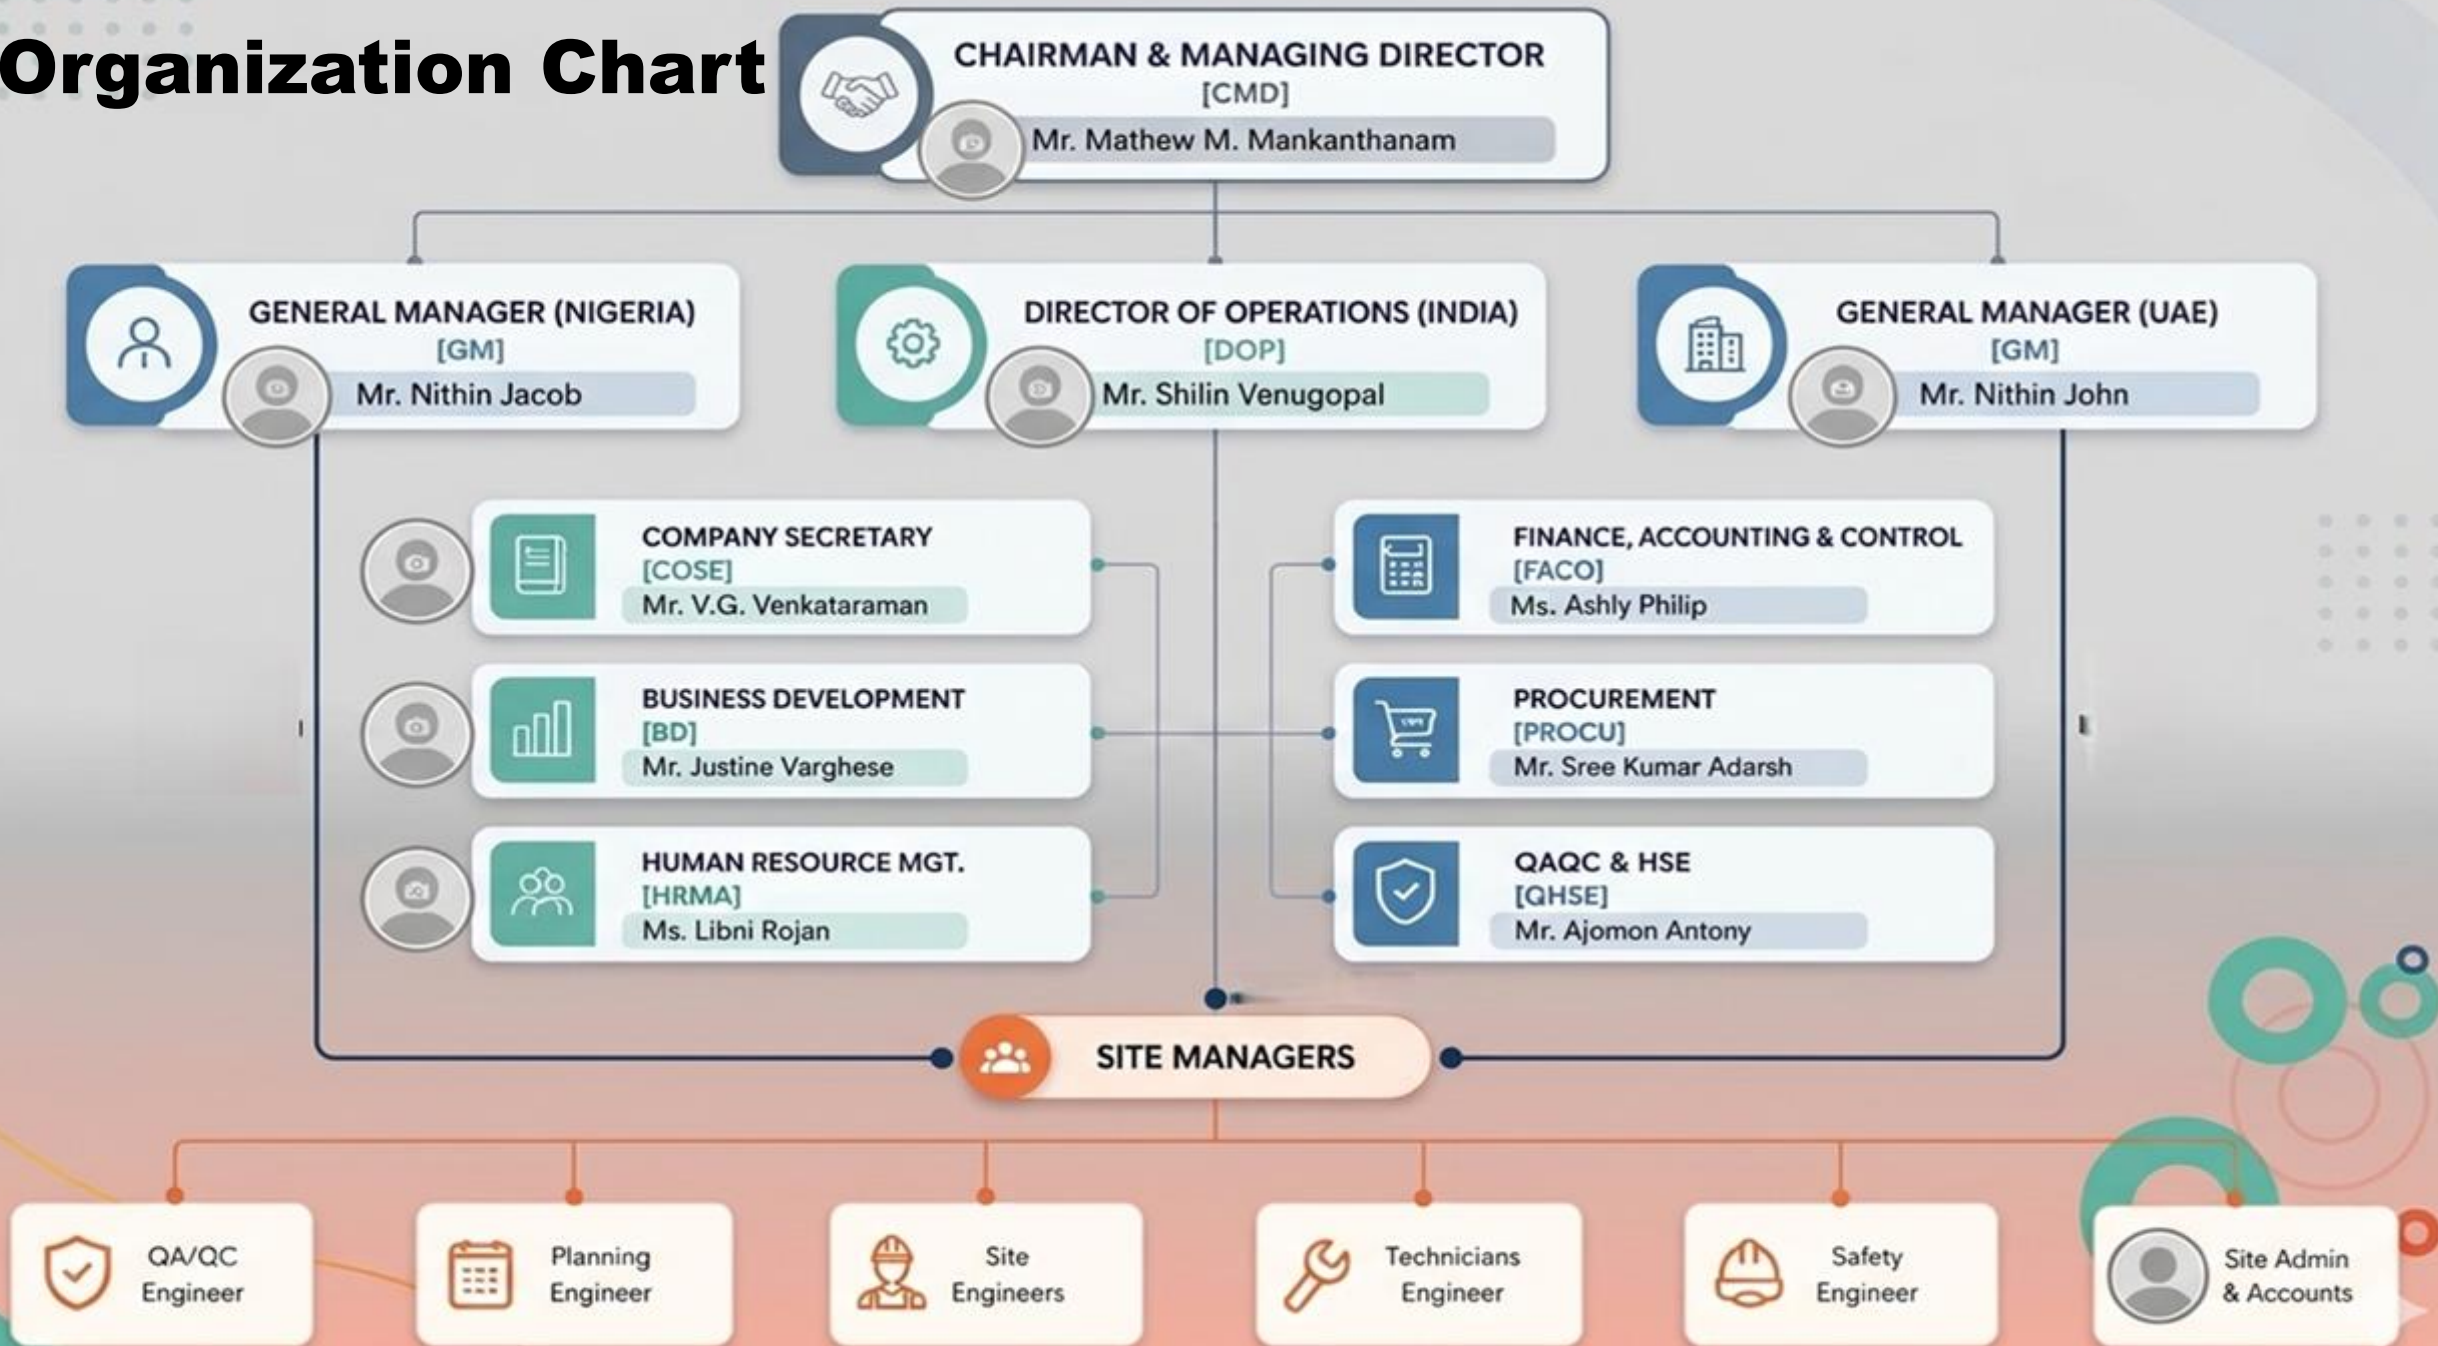

To develop a slew of measures for improving operational efficiency

To renew, rejuvenate and add human resource management & development system so as to ensure a vibrant and motivated workforce in order to provide continued quality service to all our clients

Our Services

Our Services

Manpower Outsourcing

- **Specialized Workforce Solutions:** We specialize in providing highly skilled professionals for electrical, instrumentation, and telecommunication jobs. Our expertise in these fields ensures that you have access to the right talent with the specific skills and knowledge required for your projects.
- **Industry Expertise:** With decades of experience in the Industry, we understand the nuances of various sectors. Our in-depth Industry knowledge allows us to source the most qualified professionals who are a perfect fit for your organization.
- **Efficient Recruitment Process:** Our streamlined recruitment process is designed to quickly identify and select the best candidates for your electrical, instrumentation, and telecommunication jobs. This efficiency saves you time and ensures that you have the right professionals in place.
- **Client-Centric Approach:** We prioritize understanding your company's unique culture, goals, and project requirements. Our client-centric approach ensures that our staffing solutions align seamlessly with your vision.

Our Core Values

INTEGRITY

Uphold the highest standards of honesty and ethics in all our dealings, fostering trust and reliability with our clients and partners.

QUALITY

Committed to delivering exceptional quality in our services, adhering to industry best practices and standards.

SAFETY

Our commitment to a zero-accident policy ensures the safety of every person, at every site, every day.

INNOVATIONS

We continuously refine our methodologies and strategic approach to remain ahead of industry advancements.

Major Ongoing Projects- Overseas

Sr. No.	PROJECT	SERVICE DESCRIPTION	CLIENT	YEAR	MANHOURS (Supply Value Extra)
1	Dangote Refinery Project at Lagos, Nigeria	Specialist Maintenance Crew for Dangote Refinery, Nigeria	Dangote Petroleum Refinery & Petrochemicals FZE, Nigeria	2025-26	1,673,465

Major ongoing Projects- India

Sr. No.	PROJECT	SERVICE DESCRIPTION	CLIENT	YEAR	MANHOURS (Supply Value Extra)
1	Electrical & Instrumentation work for project Prime and Infra, Lanxess India Pvt Ltd.	Supply & Installation of Electrical & Instrumentation works	Lanxess Indian Pvt Ltd, Jhagadia, Bharuch.	2025	45,521

Quality Assurance

- We at Forays are committed to total quality management & continuous quality improvement.
- The key goal of Forays' Quality Policy is client satisfaction.
- The company's Quality Assurance System is dedicated to satisfying every client's Technical and Economical requirements.
- This covers all phases of Project Management & conforms with ISO. Forays is approved to the standards of ISO 9001:2015 (Quality Management System).
- The effectiveness of the QA system is constantly monitored by top management through the Quality Committee, the QA Manual & the procedures established by the QA/QC Manager.

Quality Control

1

We have a dedicated and well experienced team of Quality Control Personnel. Thorough checks, meticulous testing, and comprehensive documentation are our standards.

2

Local regulation & codes of standards have been referred to in the contract documents.

3

We have a Quality Control Procedures and Test Plan (duly approved by clients).

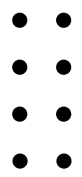

4

The Quality workmanship is based on specification of the contract and other contract documents.

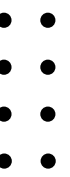

Quality
Control

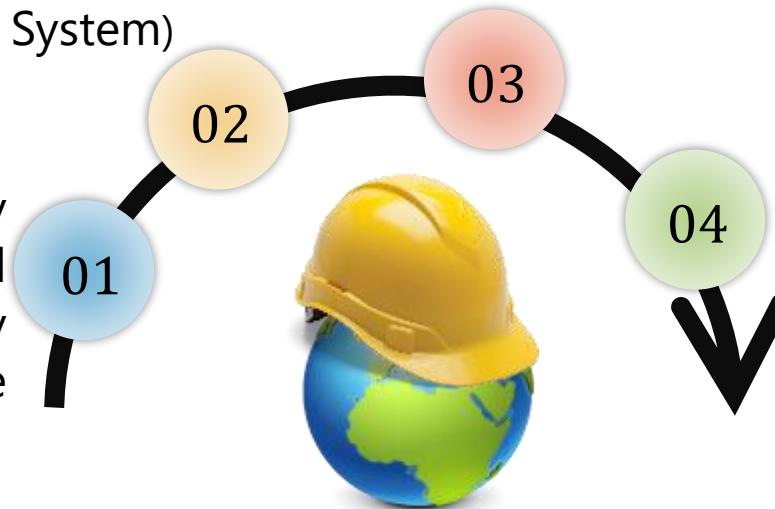

Safety

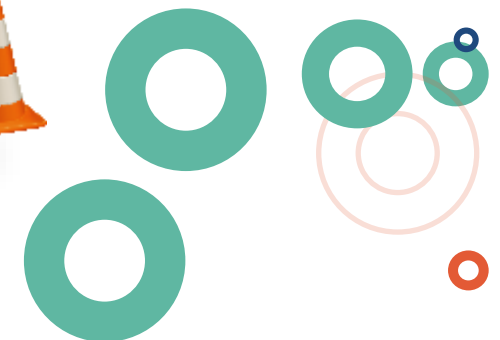

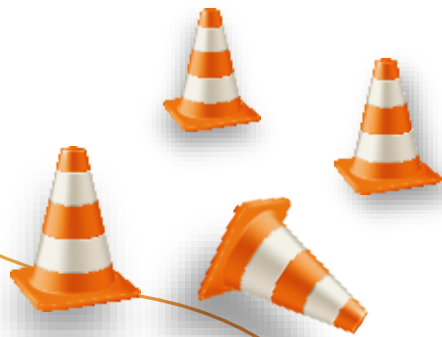

Forays is approved to the standards of ISO 45001:2018 (Occupational Health & Safety Management System)

Forays' safety department, shall identify, through "zero accident policy".

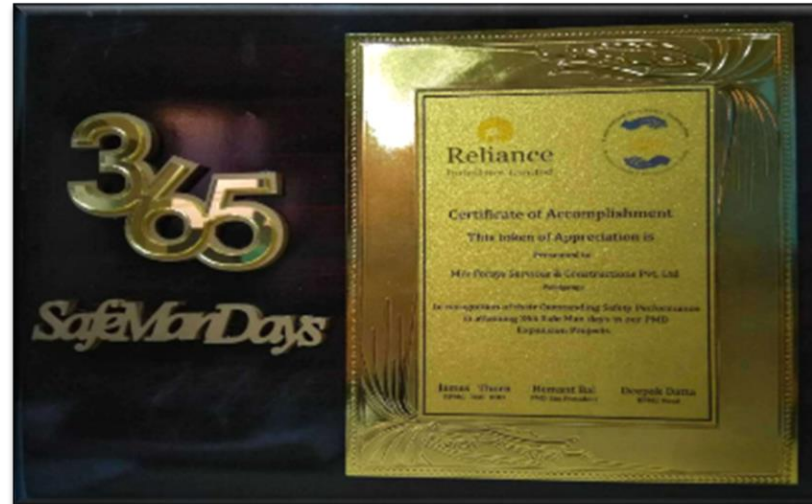

Safety is our top most priority and paramount attention is paid toward following safety procedures throughout the execution of a project.

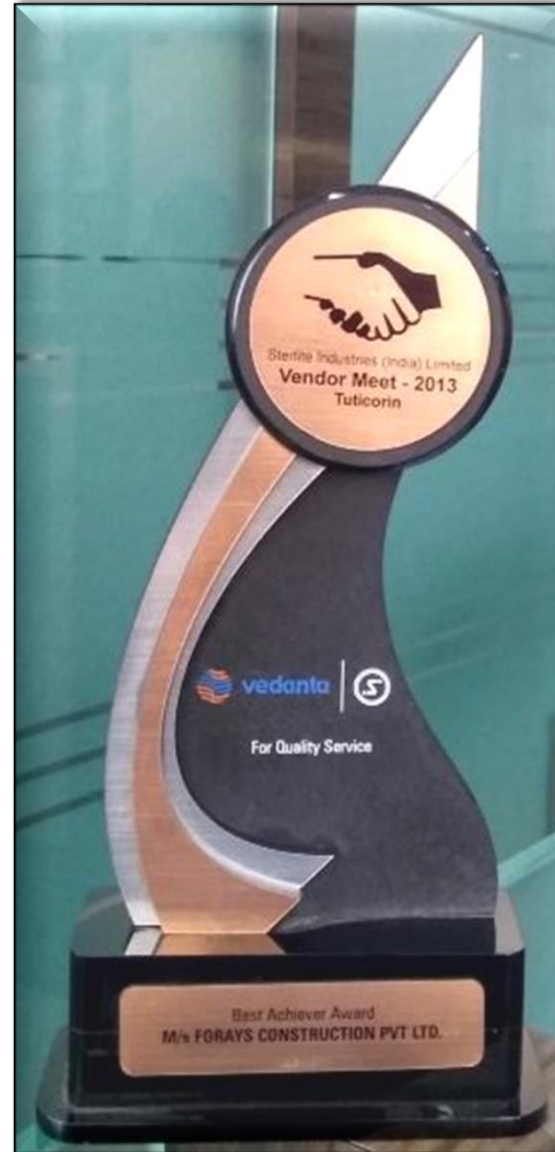

Safety is achieved by adhering to strict safety management and its procedures.

Message From Chairman

MATHEW M MANKANTHANAM

Chairman & Managing Director

" It gives me immense pleasure to denote that over the years, Forays has gained a reputation for quality and reliability. We believe that there is no shortcut to achieve business goals and always persist on integrity and transparency. Forays' relationship with customers is based on its long-term association as a reliable partner by honoring the commitments and meeting the techno-economic requirements."
